

Rockingham Forest Riding Club

MAY/JUNE NEWSLETTER

Hello All,

What strange times we are currently living in, I hope that everyone is managing to stay safe & well.

Firstly I'd like to say again a huge congratulations to our 80cm Team (Sarah Udall, Eliza Donnelly & Eleanor Pike) and our 100cm Individual (Sophie McKinnon-Wood) who qualified for the Winter Championships, which were sadly cancelled... it's such a shame, but you're all winners in our eyes and it is so much better to be safe than sorry.

During these trying times, we have been able to have a couple of meetings via Zoom, where we have sadly had to think about the longevity of the club moving forwards. In an age where BRC costs are always rising and affiliating to BD, BS & BE is so readily available, all riding clubs have seen a noticeable drop in members (and therefore helpers & committee members). This in turn puts an enormous amount of pressure on our small committee to provide what everyone wants alongside balancing our own work & horses.

We are looking at continuing this conversation at a Special General Meeting after lockdown, but in the meantime please feel free to email us if you have any queries, or may consider joining the committee.
